Children's Summer Program Worker

Contract Position: 35 hours per week

**Contract Period: May 2019 – August 2019
(contract duration is depending on funding)**

Salary: \$14.34 per hour

This is a summer job opportunity for full-time college or university students, aged 18-29 years, intending to return to full time post – secondary school in September 2019

LAMP Community Health Centre is a multi-service, community based charitable organization that provides a wide range of programs and services to improve a person's health. LAMP uses a co-ordinated approach to connect people to medical services and other programs that build personal resources. By providing services that improve physical, emotional, social and economic well-being, people can better control their health and environment.

Job Summary

LAMP Community Health Centre has a challenging opportunity in South Etobicoke for a summer student to work in the EarlyON Toys in the Park program, a program for families with children from birth to 6 years old. Working within a Family Support/Health Promotion Framework this position will support the healthy growth and development of families through high quality early childhood programs.

The incumbent will ensure that all organizational policies are followed.

Primary Responsibilities

- Work as a member of a team of volunteers and other staff to plan and implement age appropriate summer programs within the guidelines of the Early Learning Framework.
- Maintain a broad range of toys and equipment for use by program participants.
- Provide community information to families, especially those new to Canada.
- Assist with administrative tasks as required.

Required Qualifications

- Was registered as a full time student during the preceding academic year; Intends to return to school on a full time basis in the fall of 2019; is under 30 years of age (in order to meet the HRSDC Canada Summer Jobs Criteria).
- Proof of Vulnerable Check required prior to hiring.
- Previous experience working with families and children from 0 – 6 from diverse backgrounds.
- Demonstrated understanding of child development and issues facing families today.
- Good communication, team work and problem solving skills.
- A current G or G2 driver's license with a safe driving history and ability to lift and carry 25 pounds.
- Knowledge of the Lakeshore community is an asset.
- Cross cultural experience and/or a second language an asset.
- Problem solving and communication skills with the ability to clearly convey information and ideas.
- Positive attitude and dependable with strong initiative and the ability to work independently and in a team oriented atmosphere.
- Solid working knowledge and ability to navigate a PC windows environment, including shared drives.

Working Conditions

- May require working occasional evenings.
- Will involve working outdoors each day (except during heat alerts or rainy days) at local community parks.

As part of our mandate for inclusivity, reasonable accommodations can be made for all incumbents to perform the described physical functions of the aforementioned job.

LAMP Community Health Centre is dedicated to achieving a workforce that reflects the diversity of the community it serves and encourages applications from equity seeking groups.
