

GARDEN POD MASTER

TRAINING PROGRAM

You'll gain:

- **Skills** in growing healthy food and teaching others to do the same
- **Opportunities** to build leadership skills and potentially earn extra money
- **Incentive** to teach others in your community
- POD Master **Certificate** of Completion from Humber College and LAMP CHC

Do you live in South or Central Etobicoke and want to learn about urban gardening? We are looking for 25 community members to participate in a 8-week training and practicum program designed to enhance your knowledge in community building and sustainable food growing. Graduates of the training program will be eligible to apply for paid positions to lead a team of volunteers in caring for GARDENS vegetable pods from May to September.
