Organization Background

The Black Health and Social Services (BHSS Hub) is an Afrocentric, culturally-affirming hub offering primary health care, social services and mental health and addictions support to Black, African and Caribbean (BAC) communities in Peel Region.

Roots Community Services, LAMP Community Health Centre and the Canadian Mental Health Association (CMHA) Peel Dufferin are partnering to offer this initiative which was being designed with the holistic health of the individual as the primary focus. This ensures that services are easily accessible and closer to home for Black, African and Caribbean (BAC) communities in Peel.

Our organization is grounded in principles of health equity, and we are committed to delivering services and programs through an anti-racism, anti-oppression lens. We strive to create a healthier community by putting people first and addressing systemic barriers to care.

Job Summary

At the heart of our work is an interdisciplinary approach that delivers holistic, community-based care – with a strong focus on individuals who experience barriers to accessing health services. Our team is deeply committed to inclusivity and works within the social determinants of health framework, emphasizing prevention, health promotion, and client education.

Under the direction of the Primary Health Care Manager, the **Mobile Health Unit Driver** is responsible for driving the mobile health unit to various clinics locations, health fairs, and community events; setting up for clinic services, and maintaining and submitting the mobile unit maintenance reports and executing related duties as assigned at clinic sites during clinic hours. We are looking for a professional, outgoing, and friendly team member with the ability to multi-task. Must be reliable, hardworking, and able to work independently. Must have basic computer skills, customer service skills, and knowledge of the Peel region and surrounding areas.

Primary Responsibilities

- Safely load and unload medical supplies, equipment, and materials as required (up to 30–50 lbs).
- Performs basic vehicle inspections and coordinates required maintenance or repairs to ensure the vehicle remains fully operational.
- Maintain accurate logs for mileage, fuel usage, inspections, and service needs. Responsible for scheduling required service and repairs with the Primary Health Care Manager.
- Follow predefined travel routes and ensure the vehicle is fully operational at all times.
- Transport biohazardous specimens to labs or local public health units when required and upon return to home base.
- Maintain a clean driving record and valid driver's license throughout employment period
- Safely transporting medical providers to and from service locations across the Region of Peel, in accordance with the vehicle schedule
- Maintain communication and coordination with the medical provider team throughout the day

- Provide set-up and support functions including set up and break down of mobile clinic locations

Required Qualifications

- Valid driver's license eligible for use in Canada with a clean driving record for the past three (3) years. A driver's abstract will be required upon hiring.
- High school diploma or equivalent required
- Clear Vulnerable Sector Check
- 3+ years of professional driving experience in one of the following: patient transport (ex. Ambulance or non-emergency medical transport), courier/delivery services, or other professional driving roles with a larger vehicle such as a Benz Sprinter van (extended class).
- Familiarity with Peel Region preferred
- Must submit a medical evaluation from a health care provider giving clearance to drive and assess physical ability for the job responsibilities.
