

# IMPORTANT NOTICE: MASKING & SAFETY UPDATE

LAST UPDATED:  
April 2026

Although we remain as a mask-friendly environment, at this time, mandatory masking is no longer required for clients and visitors to our spaces.

## Please take note of the following exception:

If experiencing any symptoms of airborne illness, you are required to wear a mask during all one-on-one appointments.

● symptoms for droplet & airborne illnesses include:

- New or worsening cough
- Sore throat
- Fever or chills
- Runny nose
- Red or watery eyes
- Rash
- Shortness of breath

LAMP is a  
community  
health centre.

We have  
vulnerable people  
attending our  
centre for care.

Airborne illnesses  
are still present.

We are responsible for  
keeping safe spaces  
for everyone.

## ATTENTION:

Masking requirements may change at any time in response to updated public health guidance or changes in communicable disease activity.

If you have any questions, please speak with a staff member.  
Thank you for your cooperation!
